

Peter helped the churches by writing letters. These letters are still helping us, because they are now part

of our Bible. We know these letters as 1 and 2 Peter.

You can make your own model of a Bible.

You will need: playdoh/ salt dough/ clay
pencil

Instructions:

Step 1. Take a piece of dough/
clay and form into a Bible shape

Step 2. Use a pencil to write in
the dough/ clay,

“God’s Word Is For Me”

Today's reading from 1 Peter 3 gives instructions to men and women about how they should treat each other.
