The Archbishop of Canterbury Tweeted the message below earlier this week. It's good to know we will still be able to meet together on Sunday evenings. Don't forget to book your seat: email the office before 12noon on a Friday, or after that time, contact Pat or Dave

After contact with Government we hear that there is no change to guidance on places of worship. Worship is the work of God - not a social gathering - and gives the strength to love and serve.

Growth Groups will be starting up again next week, using zoom. If you're a member of a growth group, please get in touch with your leaders for the link.

If you're not in a group & would like to join one, please [contact the office](#).

Each week we will have some questions relating to the previous Sunday's sermon on Nehemiah, to help us to look deeper into it.

## Last week Mike encouraged us to visit Nutty Butty....

Another local business worth supporting in the parish is Origin on Fishergate Hill, on the corner of West Cliff.

It's a breakfast & lunch cafe that was started within the last year by Lucy, an enterprising young lady, as her first business.

We've been impressed by her creativity with ingredients in her wraps, bagels and paninis, which are lovely toasted.

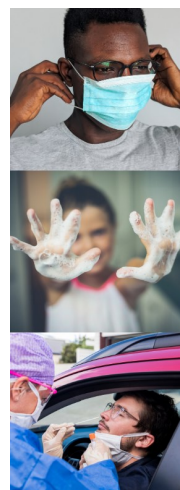

No worries on the C19 front as inside seating is

spaced out and customers are prompted to use the hand sanitiser.

It's also worth looking out for her range of home-made juices.

## A new prayer resource from the London Institute for Contemporary Christianity:

The level of change that most of us have faced in the last six months has been significant. Transition can feel like a rough sea, full of ups and downs. Whether you're excited about new beginnings or tackling the pain of loss (or both), prayer is vital to help you navigate life's big changes.

Our autumn prayer journey, 'Navigating Transition', begins next week. When you sign up, you'll receive a short prompt to pray each day, together with a brief thought helping you explore in more depth.

Have you thought about attending the 2021 Keswick Convention?

The Keswick Convention is held each summer in the Lake District. It attracts Christians of all ages and backgrounds for a holiday and a time of spiritual refreshment in the beautiful surroundings of this World Heritage site.

Each day, there is a morning Bible Reading, an evening celebration and seminars – as well as a very active children's and youth programme. You will enjoy excellent Bible teaching, sung worship for heart and mind, have practical, engaging, biblical seminars, and have fellowship with many other Christians who attend. This year's theme is "Faithful".

Most people attend one of the three weeks, which in 2021 are between the 17th July and 6th August. It's free to attend, as funding is through donations. All you need to do is book your accommodation and come along!

This year, due to Covid-19 the Convention was held online as a virtual event. It was a wonderful time of encouraging Bible teaching based on the theme of Hope. All items are available for catch up on [vkc.keswickministries.org](http://vkc.keswickministries.org)

God willing, we are planning for a Convention in Keswick in 2021 but recognise that there may still be Covid related constraints. Please keep an eye on our website for updates. [www.keswickministries.org](http://www.keswickministries.org)
